

Peter Rabbit 2: The Runaway

Peter Rabbit 2: The Runaway (also known simply as ***Peter Rabbit 2***) is a 2021 adventure comedy film directed and produced by Will Gluck, who co-wrote the screenplay with Patrick Burleigh. The film is a sequel to 2018's *Peter Rabbit* produced by Sony Pictures Animation, and is based on the stories of Peter Rabbit created by Beatrix Potter. James Corden reprises his role as the title character, alongside Rose Byrne, Domhnall Gleeson, and David Oyelowo in live-action roles, and the voices of Elizabeth Debicki, Lennie James, and Margot Robbie.

After facing numerous delays from its original February 2020 release date due to the COVID-19 pandemic, the film was released theatrically by Sony Pictures Releasing under its Columbia Pictures label, first in Australia on March 25, 2021, then in the United Kingdom on May 17 and in the United States on June 11. The film was not as successful as its predecessor, but grossed \$154 million worldwide.^[6] The film received average reviews from critics.^{[7][8]}

Plot

Sometime after the events of the first film, Thomas McGregor and Bea get married, with their friends, human and animal, attending, while Peter Rabbit accepts having Thomas in his life. A month after their honeymoon, Thomas helps Bea as she works on her children's storybook based on Peter and his friends, but Peter is disappointed that the book portrays him as naughty. After getting a letter from a publishing company wanting to distribute the book, Thomas and Bea take Peter, Benjamin, Flopsy, Mopsy, and Cottontail to meet the publisher, Nigel Basil-Jones, who presents his marketing plan which paints Peter as a troublemaker and shows a billboard design for a potential movie that makes him look villainous.

Dismayed, Peter walks away from the group and goes into town where he meets an older rabbit named Barnabas, who claims to be an old friend of his father. They are snared by animal catchers, who take them to a pet pound, where they were taken in by a girl named Amelia. Barnabas and Peter raid the family's fridge with the help of Barnabas' crew, and take the food back to their hideout. Barnabas talks about how his father used to steal for Peter and his sisters to keep their bellies full until Thomas and Bea find Peter and bring him home. The next morning, Peter tells Benjamin about Barnabas

Theatrical release poster with its previous release date

Directed by	<u>Will Gluck</u>
Written by	<u>Will Gluck</u> <u>Patrick Burleigh</u>
Based on	<i><u>The Tale of Peter Rabbit</u></i> by <u>Beatrix Potter</u>
Produced by	<u>Will Gluck</u> <u>Zareh Nalbandian</u> <u>Catherine Bishop</u> <u>Jodi Hildebrand</u>
Starring	<u>Rose Byrne</u> <u>Domhnall Gleeson</u> <u>David Oyelowo</u> <u>Elizabeth Debicki</u>

and convinces him and his sisters to join him in meeting the crew. Recognising Peter's sisters, Barnabas divulges his big plan to rob from the farmers market, with their big score being packs of dried fruit. The rabbits gather help from their animal friends to pull off their heist.

Thomas and Bea meet with Nigel again to go over the designs for the rabbits, but after already having them dressed up in contemporary clothes, Nigel makes more suggestions for the next book. Thomas starts to realise that Nigel's idea are not in the best interests of Bea's work. The animals arrive at the market and get away with the dried fruits, but all of Peter's friends, including Benjamin and the sisters, are captured by the animal catchers when they sneak into a petting zoo. Barnabas reveals he was intending to keep the dried fruit for himself, while explaining that he intentionally met Peter in town after reading about him in his book, never even knowing his father.

Feeling guilty, Peter leaves Barnabas and enlists Thomas to help rescue his friends. After hitting a snag with their truck, they go to Bea for help while she is in a meeting with Nigel who wants to put Peter and his friends in a ludicrous space adventure as well as a dangerously unpredictable rescue mission as a way to end the story. Bea pulls her stories from Nigel's company and helps Thomas and Peter rescue their friends while going on over-the-top missions to find them. Peter, Benjamin, and the sisters then go to Barnabas's hideout where they turn the tables by tying Barnabas and his crew to ropes so that they can get pulled away when the nearby tailor shop owner leaves in his truck, leading them to get taken to the pound. The rabbits return the dried fruit to the market sellers, and rejoin Thomas and Bea as they drive home, with Peter deciding to be more willing to listen to the ones that love him. Sometime later, Bea and Thomas became parents to a baby girl and she names the new book "Peter Rabbit 2: The Runaway".

Production

In May 2018, it was announced that [Sony Pictures](#) had started the development of the sequel to *Peter Rabbit*.^[10] In February 2019, it was announced [David Oyelowo](#) had joined the cast of the film, with [Rose Byrne](#) and [Domhnall Gleeson](#) reprising their roles from the first.^[11] [Elizabeth Debicki](#) and [Margot Robbie](#) were confirmed to reprise their respective roles in October 2019.^[12]

Unlike the first film, the sequel was not released under the [Sony Pictures Animation](#) label, though [Columbia Pictures](#) did return for distribution.

Filming

Principal photography began in January 2019 in [Centennial Parklands](#), Australia.^{[13][14]} Filming took place in the Lake District at [Ambleside](#) and [Haverthwaite](#), around Hill Street and [Richmond Bridge](#) in London, [Gloucester Docks](#), a replica of the House of the Tailor of Gloucester, and in [Camden](#), [New South Wales](#).^[15]

Release

Peter Rabbit 2: The Runaway was theatrically released in Australia on March 25, 2021,^[16] in the United Kingdom on May 17, and in the United States on June 11.

It was initially set to be released in the United States on February 7, 2020,^[10] before being moved back to April 3, 2020, earlier in Australia on March 19, and in the United Kingdom on March 27.^[17] The film was delayed again to August 7, 2020, due to the [COVID-19 pandemic](#).^[18] It was then further delayed to

A bus advertising the film in Somerset

January 15, 2021, in the United States,^[19] then to April 2,^[20] and again to June 11.^[21] The date was then moved up to May 14 before moving back again to July 2,^[22] then moving up once more to June 18,^[23] and then once again back to June 11, following the film's box office success outside of the United States.^[24]

Home media

Peter Rabbit 2: The Runaway was released as a purchase on VOD on July 27, 2021, and was released on DVD, Blu-ray and Ultra HD Blu-ray on August 24, 2021, by Sony Pictures Home

Entertainment.

Reception

Box office

Peter Rabbit 2: The Runaway grossed \$40.5 million in the United States and Canada, and \$113.5 million in other territories, for a worldwide total of \$154 million.^{[4][5]}

In the United States and Canada, *Peter Rabbit 2* was released alongside *In the Heights* and *The House Next Door: Meet the Blacks 2* and was projected to gross \$16–20 million from 3,346 theaters in its opening weekend, with Sony predicting a more modest \$8–10 million debut.^[25] The film made \$4 million on its first day, including \$900,000 from Thursday night previews. It went on to debut to \$10.1 million, finishing fourth behind *A Quiet Place Part II*, *In the Heights*, and *The Conjuring: The Devil Made Me Do It*.^[26] The film fell 39.8% in its second weekend, grossing \$6.1 million and finishing in third.^[27] In its third weekend, the film fell 21.5% and grossed \$4.8 million, finishing in fourth.^[28]

In Australia, the film debuted to \$2.1 million.^[29] By its third weekend in the country (where it made \$2.5 million), the film had a running total of \$9.2 million.^[30] In the UK, the film topped the charts in the first three days of cinemas reopening, making \$6.4 million.^{[31][3]}

Critical response

On Rotten Tomatoes, the film holds an approval rating of 67% based on 78 reviews and an average rating of 6/10. The website's critics consensus reads: "An enjoyably silly and self-aware sequel, *Peter Rabbit 2: The Runaway* should leave fans of the original feeling fairly hoppy."^[7] On Metacritic it has a weighted average score of 43 out of 100 based on 14 critics, indicating "mixed or average reviews".^[8] Audiences polled by CinemaScore gave the film an average grade of "A−" on an A+ to F scale, while PostTrak reported 74% of audience members gave it a positive score, with 45% saying they would definitely recommend it.^[26]

Courtney Howard of *Variety* called it a "superior sequel" and said the film "serves as both a meta-commentary on his humbling past antics and a pivotal point for the eponymous protagonist."^[32] Brian Penn of *UK Film Review* called it a "great popcorn movie" and said the "voicing actors are undoubtedly the stars even though the humans on screen are perfectly fine."^[33]

Ian Freer of *Empire* rated the film 3 out of 5 stars, writing "It feels a little thin and generic compared to family fare like *The Mitchells vs. the Machines*, but the Byrne-Gleeson combo is winning and Gluck injects just enough slapstick and smarts to justify the last-gasp gag about a sequel. It's no *Paddington 2*, but *Peter Rabbit 2* works well thanks to a mocking sense of self and a strong second half." However, he noted that "It [*Peter Rabbit 2*] may not be for the Beatrix Potter purists and has a scattershot quality", but that it "remains enjoyable for its brisk 93 minutes."^[34] Peter Bradshaw of *The Guardian* gave the film 2 out of 5 stars, remarking that "Unlike *Paddington*, whose literary source material is genuinely funny, this digital Peter Rabbit is never really humorous. It can sometimes be cute or zany and briefly send itself up, but there is fundamentally something pretty straight in its DNA. And so the film rattles inoffensively on, every line and every image seeming as if it has been test marketed in ways advocated by the wicked Nigel Basil-Jones."^[35] Christy Lemire of *RogerEbert.com* gave the film 2 out of 4 stars, who said "By indulging in the exact same instincts it insists are problematic artistically, "*Peter Rabbit 2*" wants to have its carrot and eat it, too. But maybe that won't bother you. Maybe you'll be grateful for a return to the theater and the opportunity to do so with your kids. In that regard, the sequel hops along in sufficiently bouncy fashion."^[36]

Accolades

At the 11th AACTA Awards, *Peter Rabbit 2: The Runaway* received nominations for Best Adapted Screenplay, Best Actress, Best Editing, Best Sound, and Best Production Design; and won Best Visual Effects or Animation.^[37] The film's visual effects received the Asian Academy Creative Award for Best Visual or Special FX in TV Series or Feature Film at the third ceremony.^[38]

Future

In May 2021, Will Gluck said he had nearly completed the script for an untitled third Peter Rabbit movie.^[39]

Notes

- a. Previously voiced by Daisy Ridley in the first film.
