Release and reception

The film was released on 28 April 2023, and it was unsuccessful at the box office.^[7] A critic from *Rediff.com* wrote that "The director, who began his career with films like Ghayal and Ghatak, has made romantic comedies too, including the cult-ish Andaz Apna Apna, but a movie like Bad Boy being made in 2023 would have been just as unwatchable no matter who made it".^{[8][9][10]} The Film is now available for streaming on ZEE5.
